Chairman's Message

As Chairman of Blacktown Venue Management Ltd., and on behalf of the Blacktown Venue Management Board of Directors it gives me great pleasure to welcome you to the 2017/18 Blacktown Key Venues Year in Review.

As a Board we are proud to be part of overseeing services that are an integral part of the community. Blacktown Key Venues oversees 9 major sports and leisure facilities across the City: Blacktown Football Park, Blacktown International Sportspark Sydney, Joe McAleer Oval, Blacktown Tennis Centre Stanhope and the City's 5 leisure and aquatic facilities: Blacktown Aquatic Centre, Blacktown Leisure Centre Stanhope, Charlie Lowles Leisure Centre Emerton, Mount Druitt Swimming Centre and Riverstone Swimming Centre.

We are committed to providing the community with first class facilities, programs and activities across all levels of sport, leisure and recreation.

This commitment is demonstrated through the endorsement by Blacktown City Council of the Blacktown International Sportspark

Master plan. This Master Plan will see the Sportspark at the forefront of sports training and recovery through the inclusion of the International Centre of Training Excellence. This Centre will provide the latest in sports science and technology to further enhance the athlete experience.

We are also excited to see work well underway at the Sportspark for Western Sydney Wanderers' new facilities.

Blacktown will continue to be the benchmark of sport and leisure in Western Sydney.

I thank the Board for their continued service, dedication and insight. I also gratefully acknowledge the ongoing support of Blacktown City Council, its councillors and its officers.

Thank you to our Chief Executive Officer, Kevin Jones, and to the Key Venues team for another outstanding year of milestone and accolades. We look forward to working together on what is sure to be another exciting year for Blacktown Venue Management.

Stephen Bali MP
Chairman
Blacktown Venue
Management Ltd

CEO's Message

Another fantastic year has passed with over 2.2 million visitors enjoying sport, leisure, recreation and fitness outcomes across the 9 Key Venues facilities.

Blacktown International Sportspark Sydney hosted 5,090 events, with a total visitation of 619,209. An astounding 27 international teams across the various codes of sport descended on the Sportspark for training and competition, displaying the international nature and the quality of the Sportspark's facilities.

Some of the key events that took place at Blacktown International Sportspark Sydney included the AFL National Diversity Championships and the GWS Giants v Sydney Swans JLT Community Series match. The Sportspark also hosted the Tongan National Rugby League Team in preparation for their Pacific Test against Samoa, as well as the NFL Asia Pacific Combine Testing.

This past year also saw the first ever hybrid cricket wicket in NSW installed at Blacktown International Sportspark Sydney, as well as one of Council's major sport facilities,

Joe McAleer Oval claiming Sydney Cricket's prestigious Ground of the Year award for the 2nd year running.

Our Leisure and Aquatic facilities also had an eventful year with the renaming of Emerton Leisure Centre to Charlie Lowles Leisure Centre Emerton in honour of the late Emeritus Mayor Charlie Lowles OAM. This is a fitting tribute to the 27 years' service as a Councillor and advocate for the community.

Blacktown Aquatic Centre has enjoyed a renewed interest from the community following major renovations in the reception, gym and club house spaces, as well as the addition of a new crèche facility.

Blacktown Leisure Centre Stanhope and Blacktown Tennis Centre Stanhope both experienced a successful year of operation with numbers peaking in the Aqua Learn to Swim and tennis programs.

Mount Druitt Swimming Centre and Riverstone Swimming

Centre enjoyed another successful summer season with families enjoying the outdoor pools for a leisurely swim or at events such as the highly successful Dive-In Movies.

Our facilities and team were recognised for their achievements during the year including Chief Operations Manager Nichole Edsall receiving the 2018 Blacktown City Council Woman of the Year award.

On behalf of the team I would like to thank the Chairman, Deputy Chairman and Blacktown Venue Management Board of Directors for their guidance over the past 12 months and look forward to another action packed and successful year ahead.

Blacktown Venue Management Ltd is committed to Work Health & Safety (WHS) and follows Blacktown City council's Work Health and Safety Policy (POL 100) as best practice. This policy recognises due diligence must apply in managing work health and safety by providing a safe & healthy workplace for all workers and other persons.

Blacktown Venue Management Ltd in-line with Council policy is committed to:

- Decreasing the number and severity of injuries
- Providing a workplace with a positive health & safety culture
- Maintaining WHS processes
- Improving WHS legal and Self Insurance compliance

In addition to WHS policy, all Key Venues leisure and aquatic facilities work closely with Royal Life Saving Australia and operate within the Guidelines for Safe Pool operation.

Blacktown Aquatic Centre, Charlie Lowles Leisure Centre Emerton, Blacktown Leisure Centre Stanhope, Mount Druitt Swimming Centre and Riverstone Swimming Centre have all received a 5 Star water Safety Partner accreditation from Royal Life Saving – demonstrating the

facilities commitment to aquatic safety standards.

This is a result of independent audit that reviews procedures and facility features. Our ongoing commitment to water safety and education is further demonstrated through the promotion of Royal Life Saving's 'Keep Watch @ Public Pools' initiative. This initiative has key messages for parents on how they need to supervise their children in an aquatic environment and tips for lifeguards on how to assist with supervision.

Lifejackets are now available across the 5 leisure and aquatic centres to provide additional safety for less confident swimmers. Staff continue to undertake professional development to provide the highest quality service with over 60 staff attending Pool Supervision training sessions.

Information

Aqua Learn to Swim has continued to spread the message about water safety and the importance of learning to swim through a number of community awareness programs.

The past year has seen Aqua Learn to Swim visit all of Council's Kids Early Learning child care centres to deliver a water safety talk and offer the children an opportunity to meet the Aqua Learn to Swim mascot, Pip the Penguin.

Aqua Learn to Swim has also attended many community events including Blacktown City Festival, Blacktown City Family SportsFest, Local Government Week and The Medieval Festival.

Learning to swim is an important life lesson that Aqua Learn to Swim teaches not only to children as young as 6 months old through the free Swim Sense program, but also to adults who are only learning to swim for the first time.

Aqua Learn to Swim was recognised in the 2018 AUSTSWIM NSW Awards as a finalist in a number of categories including 'Swim School of the Year', 'Teacher of Swimming and Water Safety' and 'Teacher of Access and Inclusion'.

Looking forward

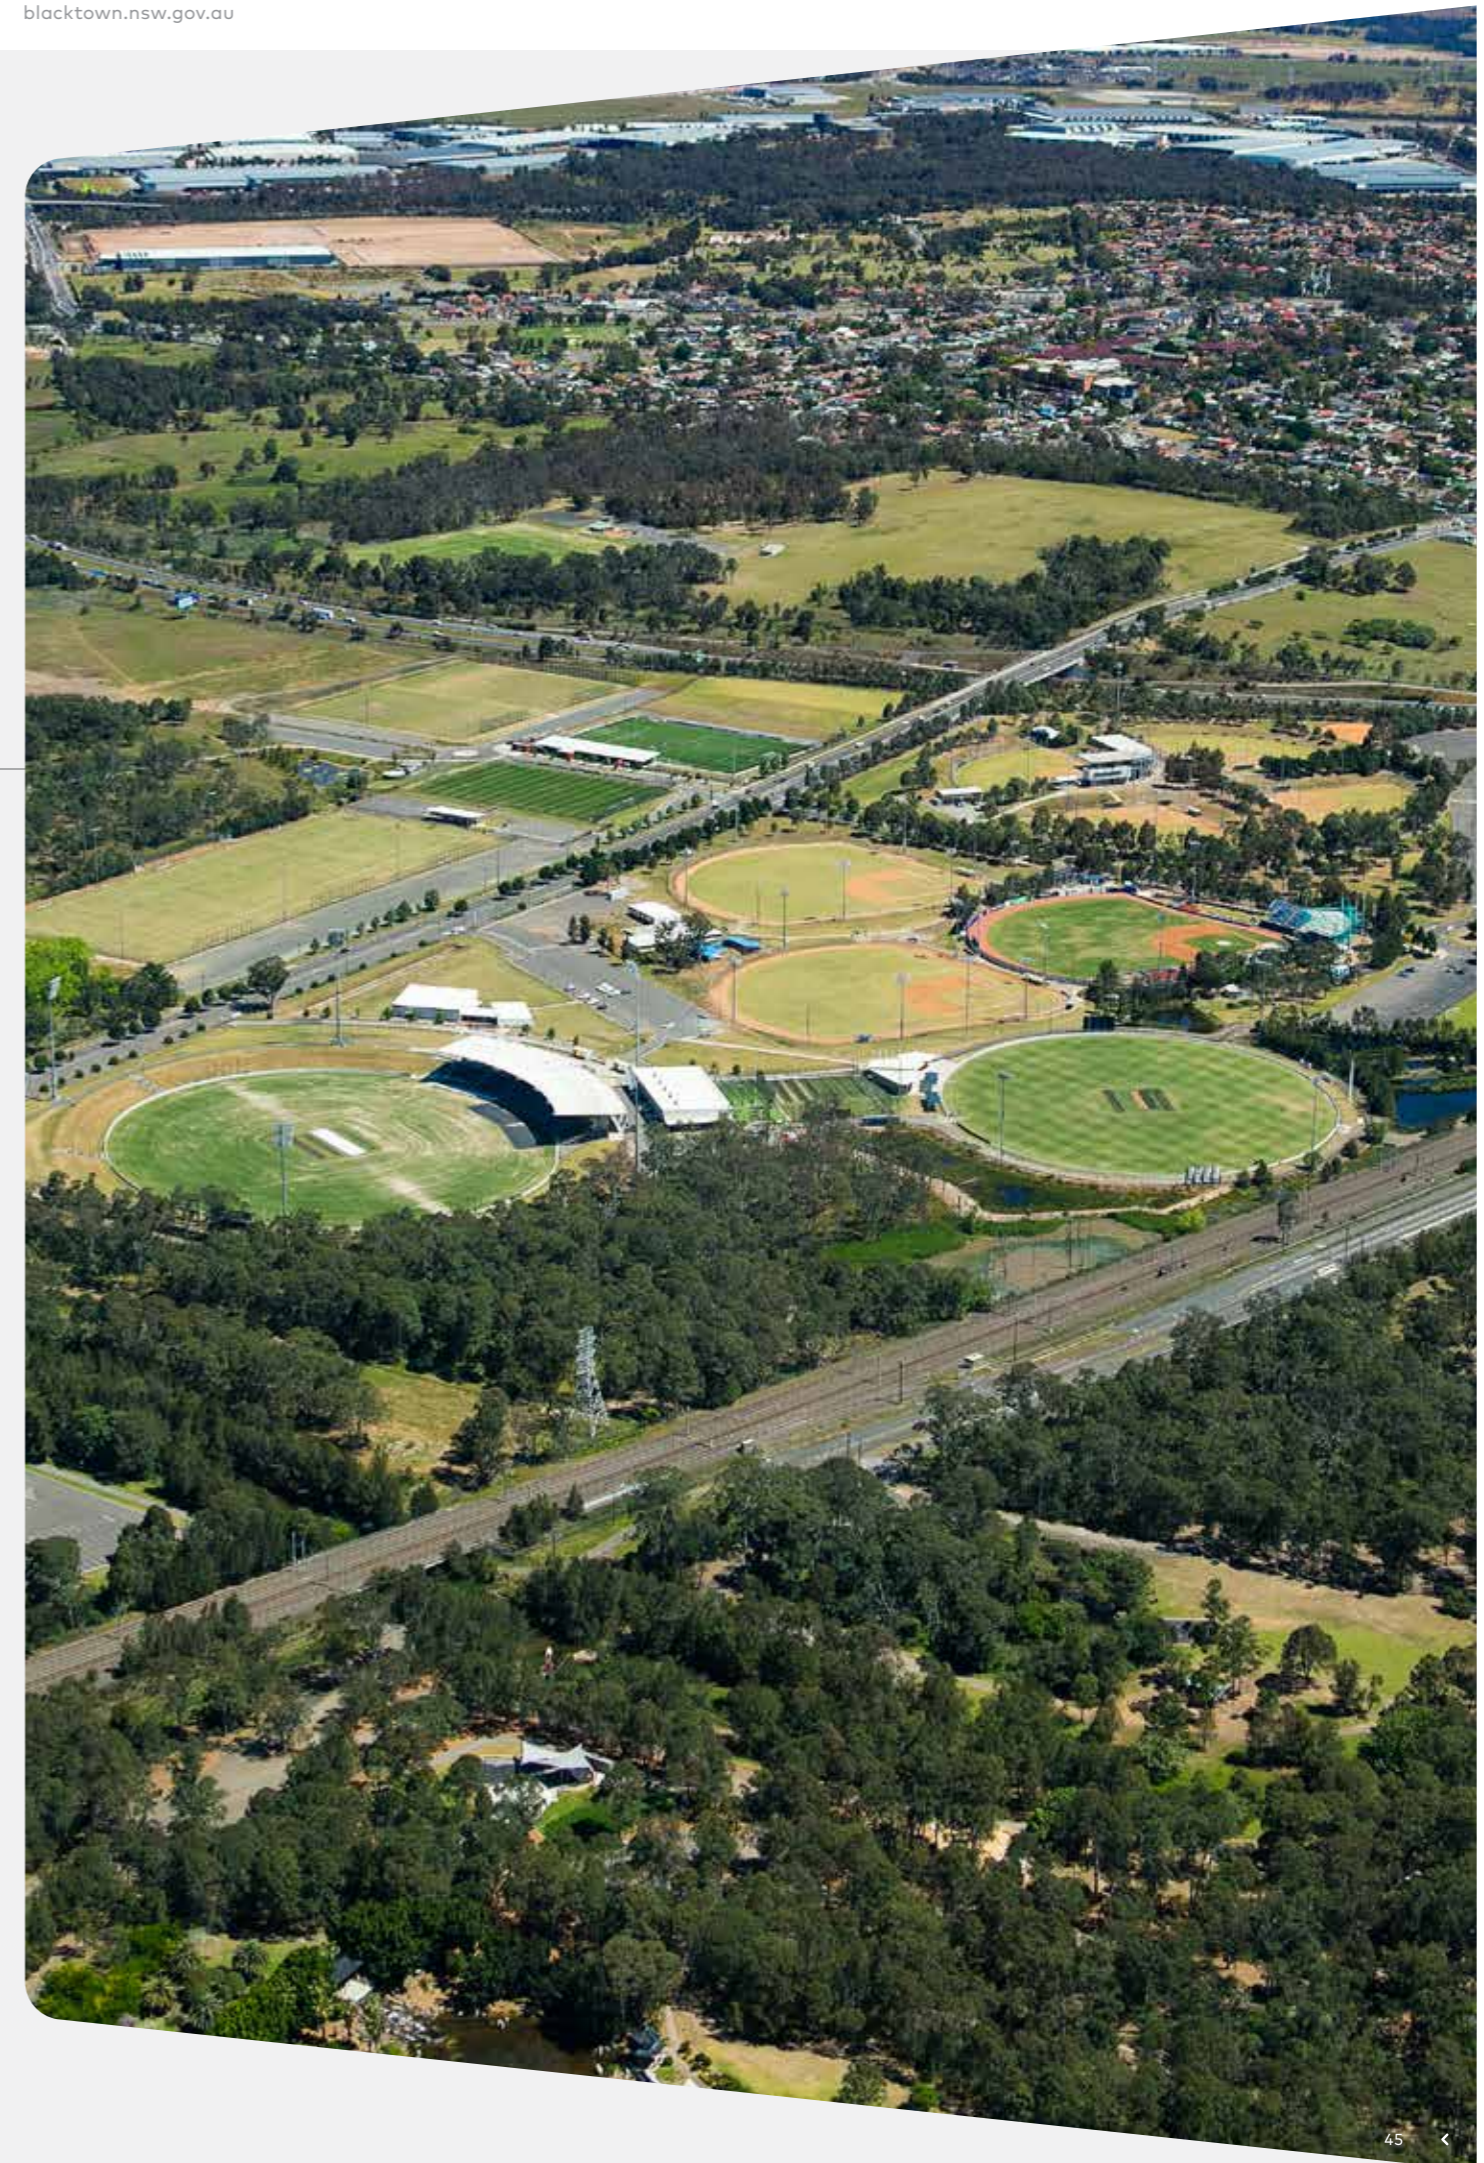

Blacktown City Council is committed to several transformational projects which will meet the community's aspirations for the city. These projects identify key priorities for our community, including "breakthrough" areas to advance the long term strategy. Council, along with the other relevant stakeholders, will work towards delivering these projects, ensuring the vision is achieved. Two key transformational projects scheduled for Blacktown Key Venues are the Blacktown International Sportspark Sydney Master Plan and the International Centre of Training Excellence.

Blacktown International Sportspark Sydney Master Plan

A 10-year visionary master plan will build on the international reputation of the Blacktown International Sportspark Sydney. Planned improvements include a public square hotel, athlete hostel, food and beverage facilities, transport, and traffic connections.

International Centre of Training Excellence

A technologically advanced facility for sports science and training which will form the centrepiece of the new Blacktown International Sportspark Sydney. The facility will include an accelerated recovery centre full of leading edge rehabilitation equipment to assist in the speediest possible recovery.
